

KROC CENTER ICE UPDATE

Dear Parents/Skaters,

I hope this finds you and your family healthy and in good spirits. We miss seeing our students on the ice and we hope for a speedy return to activities.

As you know, we suspended ice skating lessons in the middle of the session. Once we have an approved date to reopen, the Kroc Center will resume ice skating lessons where we left off. Pending that date, we will be able to provide an updated calendar for the remainder of lessons.

The Kroc Center Ice Team would like to thank you for your patience during this uncertain time. While our doors remain closed until the state/national mandate has been lifted, please follow us on Facebook @KrocCenterIce for updates and fun off-ice activities. Information will also be shared on kroccenterice.com
