

KROC LEARN TO SWIM

2019 SPRING SESSIONS

>SWIM SESSIONS AT THE KROC

Learning how to swim is a critical component of every child's development. At the Kroc Center, swim lesson students are moved through five progressive levels of lessons as they accomplish new skills and abilities. Our instructors make swimming lessons fun and help students develop both swimming skills and self confidence.

THE PARENTS GUIDE TO SWIM LESSONS

- Arrive early to check-in and familiarize your child with the facility. Please have your child ready for class at the start of the lesson time.

- Group lessons are 25 minutes, followed by 5 minutes for transition and parent communication unless otherwise noted.

- Check-in at the swim lesson table when you first walk onto the pool deck.

- Have your child go to the bathroom before lessons. Children who are not potty trained must wear a swim diaper and plastic pants (available for purchase at the Front Desk) to prevent bathroom incidents in the pool.

- Classes will be cancelled and a refund issued if we experience lightning or mechanical issues. Make-up lessons are not available and no other refunds will be given.

- Each Preschool/Youth class has total of only six participants. The parent

and child classes can have up to 12 participants.

- Classes will be held in our heated outdoor pools (unless otherwise noted). Please apply sunscreen to your child 15 minutes prior to getting in the pool.

- Parents/guardians need to stay on Kroc campus during the lesson in case of an emergency. To avoid class interruption, please observe from covered bleachers.

- Class levels are frequently repeated to allow students to master skills and feel successful before advancing. Patience is the key to learning how to swim.

- Students receive a mid-session report card so parents know what level to enroll in for the next session.

- Persons having active diarrhea or who have had active diarrhea within the previous 14 days shall not be allowed in the pool water.
