

## School Opportunities

### Venue Facts

**Recreation Field:** 90'x53' of usable game space (playground bordered on one side by a playground; high ropes challenge course on alternate side).

**Gymnasium:** Accommodates: two high school regulation courts divided by full length curtain, available seating includes a 3-row wooden bleacher (sits 50 per court) and team chairs; one college regulation basketball court, available seating includes retractable bleachers (seats 300) and 3-row bleachers plus team chairs; tri-court volleyball practice set-up or dual court volleyball set-up for games.

**Competition Pool:** 25 meter x 25 yard short course pool, heated to 80- 82 degrees. Accommodates swim team practice, two short dive boards (1m) and one high dive board (3m). Full swim meet & water polo timing & scorekeeping system available.

**Recreation Pool:** 3.5 – 4.5' pool, heated to 84- 86 degrees and accommodates up to 3 lanes for meet warm-up & recreational swimming.

**Therapy Pool:** 3.5'- 4.5' indoor pool is heated to 90- 92 degrees, ideal for injury rehabilitation.

**Rock Climbing Wall:** 30' outdoor auto-belay climbing wall with 6 routes of varying challenges.

**Indoor Skateboard Park:** San Diego's only indoor skateboard park, 1440sf of floor space & ramps for recreational field trips or skill instruction. All necessary sport & safety equipment included with usage.

### Rental Packages

#### Recreational Field Trips

Single activity or multi-venue field trip opportunities are available in rock climbing, skateboarding, gym sports, & swimming. A two-hour field trip includes staffing and instruction for the activity of choice, free play equipment available upon request & pending field availability.

#### PE Packages

The Kroc Center can accommodate PE Requirements on a wide spectrum, from court, field or pool rentals to fully staffed instruction. Kroc-led sessions may include activities ranging from traditional team sports, to unique programming such as Movement & Dance, rock climbing, skateboarding, swim lessons, and Fitness fundamentals. Packages are designed to fit the needs of each school and range from one hour per week to daily rotations between grade levels.

#### Team Sports - Practice

Facility rental opportunities are available for school teams in basketball, volleyball, soccer (unofficial field size, can accommodate practice drills or indoor-sized games), swimming, diving & water polo. Practice packages include use of venue, tables, chairs & scoreboard, as requested.

#### Team Sports – Games

Facility rental opportunities are available for school teams in basketball, volleyball, soccer (non-CIF games), swimming, diving & water polo. Game packages include use of venue, tables, chairs & scoreboard. Additional items may include: field lining, table linens, scorekeeping staff & concessions.
